*For 2019*

Edition 5 - 23/03/18

# *a 17 Country House & Victorian Barn Wedding Venue*

My Family & I have been hosting Weddings at Blakelands Country House since we first converted the old farm buildings & barns in 1992.

Blakelands itself dates from the late Tudor period, with the current House constructed in 1722.

Conversion of the Original farm buildings to offer banqueting facilities has resulted in the delightful Stable Bedrooms, which together with the Lodge rooms provide 15 ensuite guest rooms. The Magnificent Victorian Maltings Barn, highlighted by its tall king beam construction, is now festooned by sparkling fairy lights & lit by wrought iron chandeliers.

The Main House, Formal Gardens, & our Victorian Barn are all licensed for Civil Ceremonies, & together with the paddocks, orchards & lakes provide a delightful setting for your Wedding day.

The Barn is ultimately flexible, it can cater for 10 to 120 for seated guests or upto 200 for an evening reception.

And as for your Wedding Breakfast, we pride ourselves on the level of catering we provide, with all our catering staff employed by us, serving consistently high quality food year on year.

Something we emphasise with an invitation for a complimentary meal in our fabulous Lodge Restaurant.

At Blakelands our

*Inclusive* Wedding Packages offer all you need, wrapped up into a neat bundle.

It is therefore, essential that the couple make an advance booking with this Superintendent Registrar for their attendance at their proposed marriage as soon as a booking can be accepted. A fee for this attendance will be payable in advance of the ceremony.

3. The Couple will also have to give a notice of marriage to the Superintendent Registrar(s) of the district(s) in which they live. This notice must be given in person by one of the couple but is valid for only twelve months. One of the couple should, therefore attend the Registrars office where they live as soon as possible after which notice can be given.

4. The couple should be warned that any arrangements made for a marriage to take place on the approved premises are dependant on:

- a) The attendance of the Superintendent Registrar and the Registrar for the district in which the premises are situated; and
- b) The issue of the authority or authorities for marriage by the Superintendent Registrar(s) to whom notice of marriage was given.

5. When notice is given in a different registration district from the one where the marriage is taking place, the couple will have to collect the authority before the ceremony and ensure that it is delivered to the Registrar who is to attend the ceremony.

6. The couple should be advised that only a civil, non-religious ceremony can be permitted by the Superintendent Registrar. Any music, reading, words or performance which form part of the ceremony must be secular. The content of the ceremony must be agreed in advance with the Superintendent Registrar who will be attending the ceremony.

7. Any rights of copyright for music, readings, etc. permitted at the ceremony are a matter for the couple and the holder of the approval.

8. Guest Beverages - The registrar has requested that no food or drink be served to, or consumed by guests in the Marriage Rooms prior to the ceremony.
